

Inspiring Couples: In Business And In Love

Have you ever dreamed of running a business with your sweetheart? Or do you already own a business (together or separately)? There are so many couples who dream of doing this, but are afraid of some common myths. A lot of people believe working together as a couple causes a strain on the relationship, big arguments about money, creates power struggles and leaves no time for romance, but that just isn't true. It might be true for you, but it doesn't have to be. You are holding in your hands powerful insight, wisdom, advice and inspiring stories from 23 entrepreneurial couples. This book can transform your romantic partnership and your business partnership. Remember, whether or not you run a company together if you are in a relationship, then you are in business together the business of your relationship. Drs. Rob + Janelle Alex, Ph.D. brought together 22 other entrepreneurial couples to share their stories filled with wisdom and insight. The businesses these couples, including Rob + Janelle, own are quite diverse from local mom + pop businesses to multi-million dollar companies. There are newer companies and companies that have been in business for decades. They share unique advice from local dentists to relationship and business coaches. Over 3 million couples are in business together in the United States alone. They need this book and the powerful inspiration and profound transformation it offers.
