

## The Ten Commandments of Success

With new millionaires being made with amazing frequency and people from all walks of life investing in the stock market, times have never been better for business. But failures are common too, with companies collapsing at an alarming rate. In *The Ten Commandments of Success*, management expert James Belasco uses an inspiring rethinking of biblical decrees to help readers bring success and meaning into their lives. For those seeking success at work, at home, or in the community, this book captures the essence of enduring principles to help them achieve their goals.
