

10 Days To Total Financial Freedom: 10 days of discovery searching the hidden treasures of the deep ... Its not about the money

10 Days To Total Financial Freedom is about discovering its true source. And its not about the money. Its about something much deeper, much more important, much more rewarding. Its about Favor, Divine Favor. Its discovering that its not the size of your bank account, but the size of your Favor Account that counts most. This book is about discovering the true definition of financial freedom , its true meaning. Its about tracing the roots and true source of wealth and its purpose in the earth Its about the life of a young man named Joseph on his journey as he is separated from his fathers house as a shepherd, sold as a slave into Potiphars house in Egypt, falsely accused and placed in the house of bars as a prisoner, raised to prominence in Pharaohs house as Prime Minister, and finally, after many years, restoration with his father and family, bringing everything full circle and completing the journey according to Gods perfect plan and divine order. And in all of this he never lacked, never had an unpaid bill, never wanted for a place to live, never worried about transportation needs, but prospered, increased, and was promoted at every level regardless of circumstances. In this amazing story we discover that his FAVOR ACCOUNT, NOT HIS BANK ACCOUNT, WAS HIS GREATEST ASSET AND THAT THIS FAVOR IS AVAILABLE TO BOTH YOU AND I TODAY. This amazing book is all about discovering Gods answer for a world that is rocking and reeling and falling into a great financial abyss of raging debt, and out of control spending; using methods of recovery that offer very little real hope for a brighter tomorrow. In 10 Days To Total Financial Freedom we will discover the onl;y real solution to one of earths most perplexing problems, namely, poverty, debt, lack, and want. You will discover that there is a concrete plan for your good and a bright future filled with much promise,

extreme favor, and abundance. In this easy to read, powerful little book, you are being invited to join me in discovering great wealth, your hidden treasure, as have I, and countless others throughout history. This book is filled with truth and inspiration that will help motivate you to positive action in search of your treasure; not hid from you, but hid for you to discover. Marvin Swanson
