

1001 Questions Answered About Trees. Illustrated With Drawings and With Photos. By the Author

Here is quick reference to all sorts of facts about trees and tree products. The home owner can find out about grades of lumber, plywood, what to plant, and how to deal with pests and diseases. The tourist will find out what trees to look for in every state, and all about tge National Parks and Wilderness areas. The forester will find the forestry schools, pointers on conservation, facts on everything from the wood lot to Christmas tree farming. Here is the history of trees, famous trees, trees of all lands (including Europe, Hawaii, New Zealand), statistics on the oldest, biggest, heaviest, lightest. The tree lover discovers how to recognize trees, and will find a selection of poems about trees. Here, too, is much on wood chemistry, and all about paper making and wood graining. Think of any question related to trees- you can look up the answer in this book.
