Crochet 17 Amazing Projects Of Crochet Coasters As you enjoy these summer days, you probably spend lots of time outdoors, which keeps you away from your craft work. Well, while it is true that a long winter is awaiting you to work again on your crochet projects, there's no reason for not having some fun with summer crochet. What do you say about crochet coasters? These little cuties will brighten up your garden or living room. You can make these in just half an hour or so. And you won't need to go and buy some yarn, as you probably have lots of leftover yarn from your earlier projects. The patterns in the book vary from flower and afghan-inspired ones to more abstract and modern. You'll also find the information about the hook size recommended for the patterns as well as the approximate amount of yarn you'll need for each project. You will surely have fun making any of these. There are 15+ crochet coaster patterns to choose from, and without any doubt, you'll find out that they can all easily match the style of your home. You can even make a few of these as a gift to a friend. Why don't you take a look at the patterns that the book teaches you how to crochet? Which of these will you choose first?
