

For the Birds: Paper-Pieced Birdhouses and Bird Feeders

The author of the topseller *Needles and Notions* returns with delightful projects that spotlight a favorite topic—birds! Quilters of all abilities—even those who have never paper pieced before—will be amazed at the accurate results they can achieve with this easy-to-learn technique. Twenty-five fresh block motifs feature a variety of large and small birds, plus birdhouses and feeders, butterflies, and a bird bath. Includes five whimsical wall-quilt patterns, as well as ideas for finishing individual blocks as mini quilts for quick gifts. Full-size patterns make it easy to start a project right away, while a primer on paper piecing will build beginner confidence.
