

Compulsive Overeating: Your Guide to Overcoming Compulsive Eating, Emotional Eating, Binging, Food Cravings, and Breaking the Food Addiction

Overcome Compulsive Eating Today
Today, get this Amazon bestseller at a discounted price. Read on your PC, Mac, smart phone, tablet or Kindle device. Ask yourself: Am I eating too much? Am I overweight? If the answer to at least one of these questions is yes, do not worry, you are not alone. Eating too much and being over weight, seem to be the scourge of modern civilization. Statistics show that over two thirds of adults in the USA are overweight, and a third of adults are obese.

You're about to discover the differences between emotional and physical hunger. We will show you, using scientifically based studies, that sugar is your enemy and fibre, protein and fat are your friends. Be prepared to change everything you thought you knew about fat. A study of over 600,000 participants from all over the world, show there are no significant associations between the consumption of fat and cardiovascular risk. Fat is an essential element in our diet. Here Is A Preview Of What You'll Learn...? How to reduce sugar consumption, and understand those hidden sugars in foods. How to improve eating habits, by reducing the risk of putting on those extra pounds. Create a routine to your day that will help you to focus on a healthy lifestyle. We even throw in a few recipes, to guide you through a healthy day.?
