

Three Times a Lady Knitted Lace Shawl Pattern

Original knitted lace shawl design by Sandy Terp. This shawl is named Three Times a Lady after the Lionel Richie song and the symbolism represents the three phases of a woman's life. The construction is the three-triangle method that Sandy has developed. The basic shape is a triangle that has an unfinished bottom point. From a practical point of view, this eliminates the awkward long point. Symbolically it shows unfinished or unrealized parts of a woman's life. Spiral Bound, 20 pages, 2007. Includes full instructions and charts.
