

Turquoise Filigree Pendant Wire & Jewelry Making Tutorial Series E3

In this tutorial, you will be learning how to create the oval frame, the knitted bezel, the coiled decoration links, attachments of the deco links to the frame, the figure 8 links & clasp. You can apply these techniques on any shape and size of cabochon or stone of your choice. The tutorial is catered for Intermediate to Advance level or anyone who loves to learn these wirework techniques. Knowledge of basic wirework and open knitted loops are pre-requisites; nevertheless, in-depth instructions and ultra-clear, close-up photos at each step will guide you along in completing the pendant. Additionally, you can ask me questions you have on the tutorial. No more getting stuck and frustrated on a confusing or just plain inaccurate pattern.
