

## 336 Crochet Tips ! The Solutions Book For Crocheters

This is a book for the intermediate crocheter. The book is divided into 24 short chapters, and answers can be located quickly under each chapters title. There are more than 336 solutions to various crochet challenges. You can learn to read American style and International symbol type patterns. As you know, hook sizes vary per manufacturer--now you can understand various hook sizes for each manufacturer. The book is sized so that it easily slips into your crochet kit as a carry-a-long reference. No longer will you spend hours looking in every book you won to find out how-to-do one crochet technique.
