

Shocking Career Secrets: How to get massive Salary Raises, score in Job Interviews, and get a Promotion easily

Revealed! Industry insider Ryan Firestorm will unveil 8 Career Secrets that your manager doesn't want you to know. These secrets will help you get great salary raises, get selected in a job interview, and even get a promotion easily and quickly. Here are the closely-guarded secrets that will be revealed in this never-before disclosure. 8 Shockers that will change careers. CAREER SECRET # 1: Why would you be fired? Can you avoid the dreaded Pink Slip? And why the most-beloved perk Work From Home is the surest ticket out of the company? For the first time ever, you will be taken behind the scenes of a mass-firing (multiple layoffs). You will understand what prompts a company to fire its loyal employees (this means you). And the biggest insider secret... if you are Working from Home, why you will get laid off in the next few months. You will also learn how to protect your job and make yourself almost fireproof. CAREER SECRET # 2: Job sites are utterly useless Sick and tired of job hunting? Learn why job sites are utterly useless & where you need to focus your energies for a job search. This one strategy will increase your probability of getting a job from a measly 1% to a stunning 60%. CAREER SECRET # 3: Your experience or skills doesn't matter in an Interview! Did you know that your experience or skills doesn't count for the hiring manager? What is the recruiter really looking for? It's this one little thing... CAREER SECRET # 4: Your manager doesn't care what you did the whole year Are you surprised? Or did I confirm what you already suspected? Is everything you are doing in your job, all in vain? Don't get depressed. This secret will tell you how to get on your manager's radar. CAREER SECRET # 5: Appraisal ratings and increments are your manager's headache. Here's how to force your manager to give you a fat paycheck. There is a ton of information on salary negotiation during a

job interview. What about salary negotiation during a performance review? This secret will tell you the simplest and easiest way to rate your own performance. And how to make an epic presentation that will force your manager to grudgingly give you a great rating and an excellent salary raise. CAREER SECRET # 6: Its Promotion time: Only the crying baby gets the chocolate. How to get promoted easily? And what managers want? An old oft-repeated adage will have the power to get you promoted. Learn what managers really want, and how you can give it to them. CAREER SECRET # 7: Can you fire your boss? Learn the bitter truth about bad bosses, and what you should do about it. CAREER SECRET # 8: If you want to become rich, you are in the wrong job! If you have been working your rear off in your job, and have aspirations of being rich, I have news: This just in. You will die broke. But theres hope. This secret will make you realize why it isnt enough to rely on your salary. EPILOGUE: Why its easy to succeed? And now that you know everything, why you will still fail? While its an epilogue, its possibly the most important secret in this book. You will know what you need to do TODAY to succeed. BONUS SECTION: Ten Books that will Change your Life Only readers become leaders, and leaders are always readers. These ten books recommended by top experts across every industry will continue your education. So stop wondering what color is your parachute. And start to learn that managers determine careers. You owe it yourself to get a massive salary raise in your next appraisal. Well, what are you waiting for? Grab this before your next-desk competitor does and gets himself promoted.
