

Getting a Job You LOVE During a Tough Economy: Job Hunting made simple, easy, and quick for you

Unemployed? Under-employed? Unhappily employed? Self-employed without wishing to be? If you follow the simple steps outlined in this book, you will dramatically increase your ability to accurately identify jobs that are well matched to you. More importantly, you will simultaneously increase your chances of securing one of those jobs. Job Hunting made Simple, Easy, and Quick for YOU: + Career Planning & research. + More Effective Resumes. + Cover Letters. + Obtaining Interviews. + Interview Techniques. + Negotiating Optimal Compensation. This is the fourth decade the author has proved you can find satisfying employment, even during a weak economy. The principles in this book have helped literally hundreds of individuals; Recent college graduates. Mid-career professionals. Baby boomers. Employees rearing retirement. Career counselors. Although there is no such thing as a perfect job, YOU can identify and secure satisfying employment, in spite of a recession. Learn the Secrets to Finding Your Work Home Work Homewhat is it? Is it a job that pays the highest salary? Is it a position with the greatest advancement potential? Or is it employment with a prestigious company? The answer to each of these questions is often a surprising and disappointing NO! About the author, Dr. Jobs (William Guy): Dr. Jobs has a passion for helping others. He has served as president of a worldwide charity for underprivileged and special children. He has served on the board of directors of numerous organizations whose charter is to help those who are less fortunate. And he is currently on a quest to create a million new jobs for those who cant find meaningful employment. But why should YOU listen to his advice? Mr. Guy has been on the front lines of the employment market place for over 40 years. He served as Senior Partner of Ward

Howell International Group (now Heidrick & Struggles) and earlier as Senior Associate of Korn/Ferry & Associates, both firms being leaders in the field of retained executive search. He founded and personally built the largest headhunting firm of its type in the world, Cornerstone International Group, which does recruiting for virtually every industry, every job discipline, & every geographical location around the globe. As the ultimate expert on employment, he gives seminars and talks worldwide and offers books, DVDs, & CDs, plus webinars on the Dos & Dents of Job Hunting. Be sure to obtain the sister Career Tool Kit workbook that includes forms & figures to help you identify and Get a Job You LOVE.
