

A Touch of Rosie Quilts

A Touch of Rosie Quilts showcases 14 fabulous designs from Carrie L. Nelson of Miss Rosies Quilt Company. Scrappy designs transform traditional blocks into new looks with up-to-date colors and fabrics. And when you realize that Carrie's favorite inspiration is a golden retriever named Rosie, you understand how every quilt is just that - a little bit rosie. To further carry out the theme, there is a touch of pink or red in each of these amazing fabric compositions. 14 quilts (with the amusing stories behind their titles) include Full Bloom, High Cotton, Summer Wind, Dont Be Cruel, Hound Dog, Luci in the Sky, Due South, Allemande, Simple City, Quadrille, Sweet Escape, Looking Glass, and Crackling Palms (Diagonal and Straight Settings).
