

## Against The Odds

Wealth is not money. It is the compilation of riches gathered from the accumulated treasures of life. In a world touting impulse and emotion there are few tools to spur people to think, to be inquisitive, to act responsibly and to see differing perspectives. Against the Odds provides these tools through a collection of engaging, real adventures from the archives of time. They provide practical insights for today through quick, entertaining and enlightening stories. Karla Dennis is a national taxation expert, noted speaker and author. She is a Licensed Enrolled Agent, rigorously tested and approved by the U.S. Treasury to take on the IRS on behalf of corporations and individuals in all 50 states.
