

American Horticultural Society Plants for Places

Make your next trip to the garden center a pleasure. Rely on the expertise and authority of the American Horticultural Society to choose plants that are specifically suited to the needs of your garden. For quick and easy reference, plants are listed under a range of specific sites and soils, from damp, shady spots to exposed situations, and for a range of uses from attracting wildlife to choosing the best climbers for pergolas. With full-color photographs and growing information for more than 1,000 tried-and-tested plants this is the perfect pocket-sized guide for trips to the garden center and nursery.
