

Big Boys and Girls Play Hardball: What its Really Like Consulting for Fortune 500

New business eBook for the contractor, consultant, or new graduate entering the workforce who wants to know the inside scoop on what its like consulting for Fortune 500 companies. Also talks about what its like working with recruiters, managers, leadership, navigating internal politics, what to watch out for, protecting and positioning yourself, growing your career and tips for success. Author anecdotes from personal consulting experiences included for a birds-eye inside look. Sample Anecdote: I was once in an empty conference room with a manager, waiting for a meeting to start when the manager got up, went to the head of the conference table and lowered down the chair positioned there. I asked, What are you doing? The manager replied, Just adjusting this chair. I replied, I know what youre doing. The managers next comments reveal he knew what he was doing as well, Well, he (the managers superior) might not even sit there; he could sit someplace else. Do you do this a lot? I asked. No, Ive never done it before, the manager said. I mean, Ive set up rooms for meetings before, and all.
