

An Identification Guide to Recovered Colonial and Revolutionary War Artifacts

276 pages, 41 chapters, 133 color photos of thousands of recovered Colonial and Revolutionary war artifacts, most of them from period battlefields. These artifacts are being shown here for the first time. Each photo has corresponding descriptions. This book is loaded with information regarding these time periods, the people who lived in them and the artifacts that these people used. A must for the serious researcher and collector.
