

Collectible Costume Jewelry (Collectible Costume Jewelry: Identification & Value Guide)

Whether building a new ensemble, selling a long-time collection, or determining values of cherished pieces, this updated identification and value guide for collectible costume jewelry is an indispensable resource. Over 670 desirable, collectible costume jewelry items that can still be found at antique stores, show estate sales, and auctions are pictured in full-page color illustrations for quick and easy identification. Also features a broad range of designs and materials, including sterling, enamel, celluloid, glass, plastic, and brass. Quickly reference the individual pieces in any collection with the complete index.
