

16 Things You Really Need To Know About Going To Graduate School In The Helping Professions: That Graduate Schools Do Not Tell You

If you are thinking about going to graduate school to become a therapist, or psychologist, or counselor, or art therapist, you really must read this book first. It clarifies information that is woefully misunderstood, even (and maybe especially) in online sources that purport to explain it. This could save you years and tens of thousands of dollars. Seriously.
