

Army of Darkness Volume 2

Lost in time, low on gas... and surrounded by dames! Ashley J. Williams, the chainsaw-wielding Chosen One, is thrown through the time stream to Prohibition Era Chicago, where he lands in the middle of the war between Eliot Ness Untouchables and Al Capone's criminal empire. When the evil Book of the Dead falls into the hands of a would-be gangster and a Deadite Mob rears its ugly head, Ash turns in his boomstick for a badge, his chainsaw for a tommy gun! Also, with the help of the diminutive Deadite named Sam, our hero propels to the end of the world, where waits the vengeful King Montezuma, a legion of undead Nazi soldiers, and a resurrected Yakuza crimelord! Will the Chosen One survive the ravages of time, and how does the mysterious Lady Ash fit into the equation as a heroine or a tool of the Necronomicon?
