

As varias faces do Ego: As varias faces do Ego (01) (Volume 1) (Portuguese Edition)

Milta Garcia: Criacao singular e marcante. O divino a modelou com um dom especial... Basta ter emocao, que logo aguca a inspiracao. E contagiante ve-la externar a mais sublime das artes: A de bailar com as palavras num ritmo sem igual. Movida pela paixao, essa escritora nata, transmite vida em seus escritos. De uma observacao sai uma poesia, de um amor ou desamor saem versos, e da infinita sede de viver saem os mais belos contos. Sensivelmente capta o que emana do SER... Sem pudor, discorre camuflado em seus personagens, o enredo da vivencia ludica e desregrada. Desnuda As varias faces do Ego, remexe com os padroes e nos convida a reflexao. A voltar os olhares para a nossa essencia. Se chorar ou sorrir, se somar ou dividir, avançar ou rever... Como ela sempre diz: O importante e viver!.
