

Artful Album Quilts: Applique Inspirations from Traditional Blocks

Created by the Past, Perfected for the Present Discover more extraordinary tricks for flawless applique in this sequel to Artful Applique! Celebrated quilt artist Jane Townswick has designed 16 fanciful blocks, each inspired by a classic pattern from the 19th century. Reach new creative heights with her fresh approach to hand applique. Three spectacular album quilts showcase 16 blocks that blend today's colors and fabrics with the nostalgic style of antique designs. Find out how to take a few quick measurements from a photo of an antique block and use them to draft your own applique templates. Learn Jane's methods for anchoring your needle and thread, making the tiniest applique stitches, and sewing the smoothest stems and vines. Bonus--Achieve incredible accuracy in inner and outer points with a simple process that combines regular and reverse applique. These innovative techniques will give you the freedom to stitch your own exquisite appliqued quilts!
