

## Basketry and Basket Weaving Historic Book Collection - 31 Historic Books on CD

The Basketry and Basket Weaving Historic book collection is a great resource for people interested in the art and technique of basket making as it was practiced from the late-1800s to the early 20th century. The 31 books in this collection are a fascinating look at the beautiful creations made by Native American basket weavers along with a wide array of patterns and instructions to let you make a variety of wonderful basket designs for yourself. This heavily illustrated collection will be an excellent addition to your reference collection and provides numerous examples of of high quality work that you can use for study or as guides for your own projects. This CD runs on all Windows and Macintosh computers. You must have a web browser and Adobe Acrobat Reader - (available for free download if you do not have it installed on your computer.) The book index is organized in an HTML menu that is compatible with all browsers and the books themselves are in PDF format to allow them to be universally accessed. Many books on this CD are searchable and printable.
