

## Bearded Dragon: Your Happy Healthy Pet

The authoritative information and advice you need, illustrated throughout with full-color photographs--now revised and redesigned to be even more reader-friendly! Bearded dragons are increasingly popular; they may soon overtake the green iguana as the most popular reptile in the U.S. With their unique appearance, docile nature, and minimal care requirements, beardies make a great introduction to reptile keeping. With colorful photos, charts, and tables, this guide covers the basics, including: The beardies background and the various breeds of bearded dragons. Choosing your bearded dragon. Setting up and maintaining your beardies home, complete with a basking area and lighting. Feeding and caring for your bearded dragon.
