

Becoming Jewish: The Challenges, Rewards, and Paths to Conversion

Becoming Jewish is the first all-inclusive, step-by-step guide to converting to Judaism. Steven Carr Reuben, a highly respected rabbi, and Jennifer S. Hanin, a convert to the faith, lead readers through the conversion process, providing the right mix of advice, resources and humor for the journey. Jews-to-be often find the steps to Judaism foreign, complex, and mysterious. From learning an ancient language, to entering the mikvah (ritual bath), to choosing a Hebrew name, to circumcision, to appearing before a bet din (Jewish court), becoming a Jew is anything but quick and easy. In this engaging and accessible guide, Reuben and Hanin offer practical wisdom for every step of conversion, including: telling family and friends selecting a denomination choosing a rabbi understanding Jewish rituals celebrating Jewish holidays putting aside childhood holidays keeping ties to the past advice on weddings, raising kids, and more. Throughout, the authors focus on developing a healthy spiritual life, while helping readers understand what it means to be Jewish, absorb Jewish teachings, and live a Jewish life.
