

Little black book (Dutch Edition)

Eerste boek van België's bekendste modeblogster Sofie Valkiers droomde ervan haar eigen restaurant te openen en volgde een kookstage in Parijs. Zes maanden later keerde ze terug met een hart vol... mode! De elegante stijl van Pariennes, de talloze winkeltjes, de fashion weeks, de ongelofelijke street wear, de eindeloze inspiratie... Sofie wilde haar passie met iedereen delen en startte haar fashion blog Fashionata. Intussen is deze blog een vaste waarde voor fashionistas. Sofie verklaart je de ins & outs van het modewereldje, toont je welke kledingstukken elke vrouw in haar kast moet hebben, vertelt hoe een dag tijdens de fashion weeks eruitziet en noemt haar favoriete adresjes in binnen- en buitenland waar je leuke en unieke stukken op de kop kunt tikken. Little Black Book. Fashion by Sofie Valkiers. is een boek boordevol inspiratie dat elke fashionista in huis moet hebben.
