

Black Lagoon, Vol. 10

Lock n load with the baddest group of mercenaries ever to hit the high seas of Southeast Asia! Aboard their World War II torpedo boat, the Black Lagoon, Dutch the Boss, Benny the Mechanic, Revy Two Hand, and Rock, the salaryman from Japan, deliver anything, anywhere. In the dangerous underworld of the Russian Mafia, Chinese triads, Colombian drug cartels, crazed assassins, and ruthless mercenaries, its hard to know who to trust. But if youve got a delivery to make, and you dont mind a little property damage along the way, you can count on the crew of the Black Lagoon! Bennys tech-savvy girlfriend Jane has recruited Feng Yifei, a Chinese spy, to help her hack into a massive German defense company. But Janes real motive is to blackmail the Chinese government by exposing their operations and hang Feng out to dry as a scapegoat. The Peoples Liberation Army isnt going to let this slide, and its not long before they hire local mercenaries to wipe out Feng and anyone that gets in the way, including the crew of the Black Lagoon!
