

Black Metal Vol. 2

143 pages! Darkness abounds. The Brothers Stronghand return. Unsatisfied with a sword to share, they quest for a second blade of doom. Angels tremble, Demons weep, and Satan himself doesn't dare stand in their way. But alas, a traitor from within does twist words and meanings, setting brother against brother. Will their bond of blood hold them or tear them asunder? Dooms head comes. All is lost. None survive. Dare read at your peril. You've been warned...
