

Bone Chiller

WINNER: Bronze medal, 2009 Independent Publisher Book Awards. From the writer of THE NIGHT PROJECTIONIST (soon to be a motion picture) comes a darkly disturbing 140-page horror anthology featuring 8 great scares and 2 chilling extras. BONE CHILLER carves up the best of COLD BLOODED CHILLERS, the horror noir series that Broken Frontier says is perhaps the very best of the independently published anthologies available today. Enter a world where Man is the worst kind of monster imaginable -- and be prepared to lose some serious sleep!
