

The A to Z Guide to Soul-Inspiring Leadership

Carol-Ann Hamilton (B.A., B.Ed.) is an executive/life coach, facilitator and international speaker bringing to the topic of soul-inspiring leadership over twenty years experience in various Canadian corporate settings. With expertise in organizational and leadership development, team building and performance coaching, she helps individuals, teams and organizations through her company, Spirit Unlimited, realize that productive environments encourage people to unleash their whole selves while achieving bottom-line prosperity. Deeply committed to transforming the workplace, Carol-Ann sees herself as a catalyst and pioneer-visionary. Her motto says it all: Encouraging You To Greatness! James Norrie (B.Com, M.Ed, M.A.Sc) is an internationally known speaker on the topics of leadership, strategy, project management and business performance management. As a noted thought-leader and practicing academic, this is his first book based on research activities and consulting work within various private and public sector clients around the world. His active coaching of senior executives in leading organizations in both Canada and the US with a focus on improving strategy execution and leadership dynamics allows him to speak with authority sharing personal insights, wisdom and practical advice garnered from more than 15 years of successful business experience. He is currently a Professor in the School of Information Technology Management, Faculty of Business at Ryerson University in Toronto, Canada and the President of e-Venture Consulting Inc. www.soul-inspiring-leadership.com
