

Beaded Ornaments to Knit (Leisure Arts #4595)

Whether you've just started knitting or been knitting for years, you'll love fashioning these sparkling orbs! Each of the twelve designs cradles a clear glass ornament inside, and each knitted creation is highlighted by dozens of beads. Use yarn enhanced with a metallic thread to make your knitted orbs glow with reflected light. Display them near a window, heap them in bowls or vases, or hang them on ornament stands. These decorative items are beautiful year-round, and they make wonderful gifts! Each is knit of light/sport weight yarn using four double-pointed needles in size 5 (3.75mm).
