

Cash from Square Foot Gardening

In his best-seller, Square Foot Gardening, Mel Bartholomew showed gardeners his revolutionary system of planting in square foot sections to boost vegetable yields. Now in his follow-up, Mel tells you everything you need to know to be a successful square foot gardener. Earn \$5,000 or \$10,000 or even \$20,000 per year - even with limited time and space. This book takes the Square Foot method beyond normal home use and shows how to produce an ABUNDANT HARVEST for profit, to feed a large family, or to provide food and/or business experience for a group or institution.
