

Budget Scrapbooking For Beginners

**** Amazon Best Seller ****Do you love scrapbooking? Are your scrapbooks costing you an arm and a leg to create? Budget Scrapbooking For Beginners is filled with tons of money-saving ideas to really get your creative juices flowing! Now you'll be saving money on what is usually considered an expensive hobby. After reading this book you'll instantly be able to produce scrapbooks at a lower cost that will look simply amazing. Imagine creating some special treasures that will be passed down through generations. Make books from simple and easy-to-find materials that you probably have lying around the house or can get from some unexpected sources--like your own kitchen, laundry, and garage. Prepare to make some unusual shopping expeditions-- like resale shops and hardware stores. These tips and tricks also help you to recycle and re-use many of the items normally destined for the landfills. With easy-to-follow instructions and full color illustrations, you will unlock the key to making some very special and unique scrapbooks. This book is a real treasure for both the beginning or experienced scrapbooker alike. If you love scrapbooking this is one book you'll want in your library!
