

Lena Finkles Magic Barrel: A Graphic Novel

A New York Times Notable Book Funny, painful, outrageous . . . Anya Ulinich is the David Sedaris of Russian-American cartoonists. Gary Shteyngart Anya Ulinich turns her sharp eye toward the strange, often unmooring world of grown-up dating in this darkly comic graphic novel. After her fifteen-year marriage ends, Lena Finkle gets an eye-opening education in love, sex, and loss when she embarks on a string of online dates, all while raising her two teenage daughters. The Vampire of Bensonhurst, the Orphan, Disaster Man, and the Diamond Psychiatrist are just a few of the unforgettable characters she meets along the way. Evoking Louis C. K.'s humor and Amy Winehouse's longing and anguish, and paying homage to Malamud and Chekhov, Lena Finkles Magic Barrel is a funny and moving story, beautifully told.
