

The Sewing Machine Attachment Handbook

Its time to sew with your feet! Sewing machine attachments dont have to be scary. With The Sewing Machine Attachment Handbook, youll gain the knowledge you need to conquer that box of metal and plastic. This indispensable guide will: Help you identify 25+ of the most common attachment feet and accessories with detailed illustrations and pictures, including rufflers, binders, hemmers and more. Give you clear step-by-step instructions for using each foot to yield the best results. Guide you in choosing a sewing machine, including information on what to look for in a new or used sewing machine. Whether youve just begun or are an experienced sewer, The Sewing Machine Attachment Handbook will walk you through the ins and outs of what your machine can do. So grab those feet, and start sewing!
