

# Happy at Home, Happy at Work: The Powerful Rewards of Building Character

Do you want to be happy at home and at work? Thriving workplaces have employees who are happy in thriving relationships and marriages. Whether at home or at work, qualities such as commitment, cooperation, courtesy, helpfulness, truthfulness, trustworthiness, and more set the foundation for making wise choices. The core of this practical book is appreciating and implementing the words and actions that demonstrate these character strengths. These traits have the power to increase happiness and productivity in your life when you implement them effectively. Creating happiness is possible, and it then travels from home to work and back again.
