

Microeconomics Principals and Applications with Study Guide (CUSTOM for University of Kansas Economics 142)

(Produced for University of Kansas, Economics 142) Microeconomics: Principles and Applications is about economic principles and how economists use them to understand the world. It was conceived, written, and for the 4th edition, substantially revised to help your students focus on those basic principles and applications. Part I: Preliminaries Part II: Microeconomic Decision Makers Part II: Product Markets Part Part V: Efficiency, Government, and the Global Economy. Includes Study Guide for Microeconomics: Principles and Applications.
