

Soul Survival in Corporate America: A Womans Story of Business Success and Inner Peace

DIVINE DESTINY IS A PATH NOT A PLACE Soul Survival invites you to take a fresh look at corporate culture and your everyday work life. Author Lynne Leahy has demonstrated the power of Soul Survival principles for 30 years. I was as low as a human being can go: a welfare mom, broke, sick, depressed, uneducated, addicted to drugs, filled with fear, hopeless, and helpless. Now I am President/CEO of a successful company, a devoted mother, and grandmother. I love and am loved by a multitude of friends. I live most days filled with peace, joy, and a sense of divine purpose. SOUL SURVIVAL IN CORPORATE AMERICA Shows: Financial success and spiritual growth are harmonious There's a special place just for you Rigorous honesty opens the soul for spiritual guidance Gratitude is a soothing healer that transforms corporate culture Being true to yourself is a career path In Soul Survival mode, the corporate world is enriched by your presence and when you lay your head down each night you'll rest peacefully knowing that you are living a life of purpose and meaning. Soul Survival in Corporate America will help you find That Life--the life of your dreams.
