

Bunnies - A Rhyming Childrens Picture Book (Fun Ebooks For Kids) (Fun Picture Books For Children 2)

Here is what others are saying about this fun childrens picture book for kids! The pictures are just too cute. I fell in love with Bunnies! I love trying to find hidden objects in pictures. The hidden bunny on every page was a nice bonus. If you dont love bunnies now, you will after you see these adorable pictures. Picture books for children are a great way to keep small children entertained, and that is exactly what this wonderful bunny book does from start to finish! If you like bunnies, then wait until you see some these cuties. There is not a person on this planet that will not fall in love with these adorable little fluff balls. The high resolution images look great on every model of the Kindle. Kindle Fire users can zoom in on the images to get a much closer look. Children love rhymes, and they love pictures of cute animals. This book has them both. This is one book that will put a very big smile on your face. A note from the author! I made this book for my seven year old daughter who just loves bunnies. She also loves to find hidden objects within pictures. She had a great time trying to find the bunny hidden on every single page. I am sure your children will too What are you waiting for? We all deserve the big smile that this book will put on your face. Start exploring this childrens picture book today.
