

Weaving Magic

Weaving Magic is an emotional journey through life of experiences encompassed in the heart, mind and soul. These poems will take you from birth to death. They have laughter, pain and sorrow, and they tell of the joy of newfound love through the tragic heartbreaking ending. Some poems will make you laugh, where others will make you cry, as you feel the authors pain or relive your own. Poems of faith and weakness will perhaps renew your faith. A few may have you scampering off for a cold shower, or make your heart skip a beat. In the journey into life's unknown, we each seek our own happiness. May you find strength and solace knowing you're not alone, for others have made this journey.
