

Knitting - The Complete Guide

Some books are nice additions to a library, and others are cornerstone selections. This book is one of those foundational references you can rely on for years to come. From its easy-to-use format, to the collection of 200 pattern stitches, this book is a quick and easy guide to all things knitting. The techniques and insight you glean from *Knitting - The Complete Guide* can be applied to any project, such as the socks, gloves, hat and sweater projects featured inside.
