

Modern Gardening

The latest era of gardens expands margins and displays structured geometrical sectors. New materials including Corten steel or aluminium are used for borders, and emphasis is given to grasses, succulents and bushes instead of flowers and thick foliage.

Modern Garden Design: The Big Book of Ideas: Modern Plants for a Bold and Beautiful Garden. For the modern landscape designer, that translated into the sparing use of plants chosen for their sculptural rather than their decorative effects. They were to be enjoyed, like abstract art, for their color, form, texture and balance. Foliage was in, flowers were out. **25+ Best Ideas about Modern Garden Design on Pinterest Modern** The history of ornamental gardening may be considered as aesthetic expressions of beauty The modern words of garden and yard are descendants of the Old English gear, which denotes a fence or enclosure.
