

Creative Management (Published in association with The Open University)

Praise for First Edition: `The book is an accessible source of key writings and it will be of interest to practising managers and students of organizational behaviour - The Occupational Psychologist `Fascinating reading and very relevant to managing change and the needs of the decades ahead - Long Range Planning `Excellent collection of articles examining the nature of creativity and how it relates to various management issues from a wide variety of perspectives. Especially noteworthy are the contributions from Gareth Morgan (author of Images of Organization), Michael McCaskey and Peter Drucker. Recommended for anyone with an interest in problem solving, organization
