

Food Addiction & Overeating: Cure Your Binge Eating, Food Addiction, and Overeating Disorders Now (food addiction recovery, overcome eating disorder, binge ... mens health) (Recipes & Cookbook Book 5)

Want To Effortlessly Overcome Food Addiction and Overeating Habits... Want The Hidden Food Addiction and Overeating Secrets You Wont Find Anywhere Else... Want to start taking control of your life, and be able to drop your waist line... You are about to finally uncover the single reason why youve been experiencing such an uphill battle with food and your weight. And far more importantly... I am going to teach you the skills you need to win the food fight once and for all--without dieting. If youre looking for a real, proven, step-by-step solution to stop overeating and binge eating for good--so you can finally get thin and get on with your amazing life--then this book is for you. Is food your best friend--and your worst enemy? Are you stuck in a relentless tug-of-war between wanting (desperately) to lose weight, and the out-of-control urge to eat? Does your firm morning resolve to be good with food consistently crumble into a night of takeout on the couch, watching TV with Ben & Jerry? Do you love food, but at the same time, part of you hates it with a passion, and would be perfectly happy if you never ate again--if it just meant you could finally be thin? Let me come right out and say it. Its not you! There are clear-cut, solvable reasons why your eating currently feels frustrating and at times painfully out of control. Youve simply been trying to solve the problem (excess weight and overeating) with a solution (dieting and exercise) that does nothing to resolve the real reasons you feel so out of control with food. The problem is not your lack of nutritional knowledge. Knowing how many calories (or carbs!) are in a thick, fudgy brownie does absolutely nothing to equip you with the skills to stop binge eating it after a long, hard day at work. Unlock The Hidden Secrets of The Food Addiction and Overeating Cure Today. Discover the two keys that make it a cinch
