

Tumbleweed DIY Book of Backyard Sheds & Tiny Houses: Build Your Own Guest Cottage, Writing Studio, Home Office, Craft Workshop, or Personal Retreat (Paperback) - Common

These tiny backyard buildings, no more than 110 square feet, can become guest cottages, art or writing studios, home offices, and craft workshops. For the DIY enthusiast, here are photos, elevation drawings, and door/window schedules for six Tumbleweed box bungalows, plus an extensive how-to set of instructions that can be applied to any backyard building project. What they are not is home-center
