

Daily Discoveries for November: Thematic Learning Activities for Every Day

In this creative book, which is another in the popular Daily Discoveries series, you'll find reasons to celebrate every day of November in your classroom. Special days include: National Sandwich Day, American Art Day, Math Madness Day, Children's Book Day, Mickey Mouse's Birthday, Family Day and many more. The fun activities can be plugged into your regular curriculum: language arts, social studies, writing, math, science and health, music and drama, physical fitness, art, etc. Your students will look forward to every day of the month when they realize that it's a day for celebration! Included are fun patterns for writing assignments and art projects as well as lists of correlated books and bulletin board ideas.
