

## Dance in the Vampire Bund Vol. 4

The Kings of Darkness Have Risen! When Mina Tepes first welcomed the vampires of the world to join her burgeoning island nation, she knew she would experience friction from all quarters. With the wounds still fresh from the encounter with the crazed terrorist Hysterica and her minions, the last thing Mina expected was a surprise visit from the three lords of the other vampire clans. To make matters worse, it is not war that they seek, but her hand in marriage!
