

The Absolute Beginners Guide to Blacksmithing

The Absolute Beginners Guide to Blacksmithing is just that! Your one stop guide for everything you need to know when interested in the ancient art of blacksmithing. Taking you from a great overview of blacksmithing with a little history, through setting up your own workshop, detailing what tools are required and even providing step by step projects that you can follow to produce your very own creations! This book is absolutely perfect for any one who is even slightly interested or intrigued to start a wonderful hobby as an amateur blacksmith.
