

What Managers Dont Know About Management: How to be a better, happier and more effective manager (WMDK Digest Series Book 3)

This is a DIGEST version of What Managers Dont Know: How To Be A Better Manager, Leader and Entrepreneur, focussing only on those ideas and Principles that address the area of Management itself (if you have already bought the main book, you do not need to purchase this one). Inside, youll find tips, strategies and actions to take to develop your management skills and abilities, some of which will also transfer from your workplace into your life and community too.
