

Dashes of Salt: For a well-seasoned week (Springer Series in Social Psychology)

Stressed? Discouraged? Depleted? Dashes of Salt is just the book to give you a boost this week! It isn't your standard daily devotional book. It's designed with busy people like you in mind who seldom have more than a few minutes to spare every day. You can certainly spend a couple of minutes each week to read just one Dash of Salt. It will refresh your mind and your spirit. Focus on the concept of that single reading all week long. No pressure to read one each day. Just a dash will elevate your mood and focus your thoughts. Before you know it, the weekend will be here and you'll feel: Uplifted! Encouraged! Refreshed!
